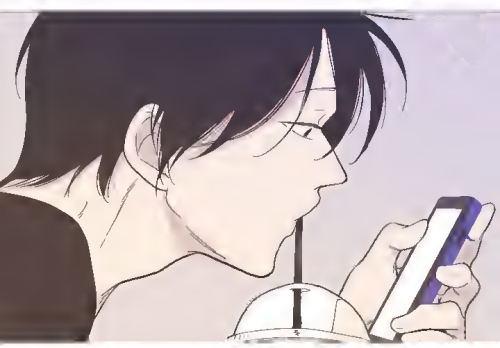
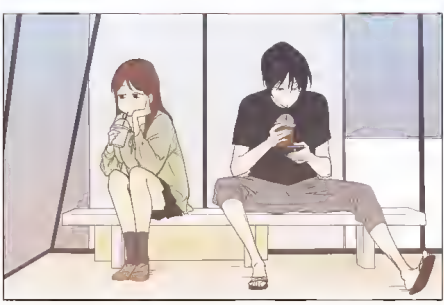
I'm lonely.



Even though we've been dating for two years, my heart doesn't flutter or get excited when I'm with him



What should we do?

OUR RELATIONSHIP IS

Accepting Change

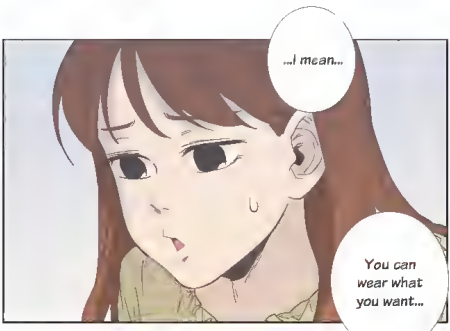
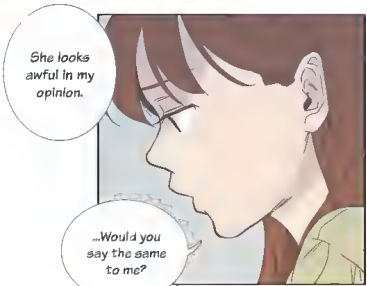
That's so bad.
You can even seen the fat folds on her thighs.
Oh-
.....

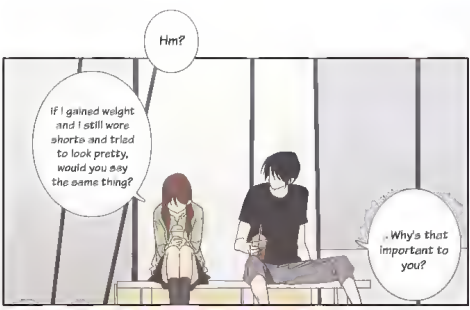


...I mean...
You can wear what you want...

She should've considered people looking at her though.
I mean it's her fault for not preventing that.



She looks awful in my opinion.
...Would you say the same to me?



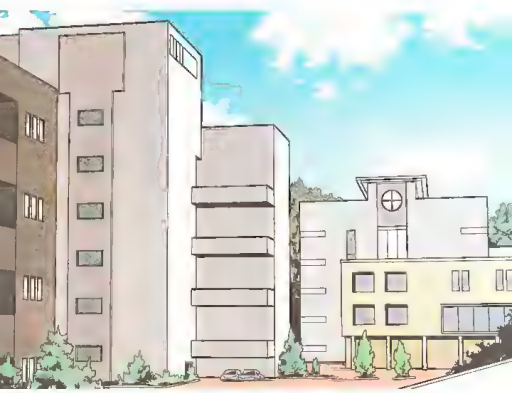
Hm?
If I gained weight and I still wore shorts and tried to look pretty, would you say the same thing?
Why's that important to you?

You would.
While I'm dating you, I could gain weight-
...I'll look over it to some extent.
Just control it.
I bet if I gained a lot of weight,
you'd break up with me right away.
...What guy likes fat girls...
...!
EVEN IF YOU GET FAT?
Girls and guys aren't the same.

The longer we date, the more times
I've been disappointed by him.

IT'S EXACTLY BECAUSE YOU ACT LIKE THAT, THAT I...!
Why are we fighting in the first place over that girl?
WHY WOULD YOU EVEN TALK ABOUT THAT IN THE FIRST PLACE!

I've learned while dating, that nothing is more infuriating than an empty apology.



Oh right,
Yoojin.
It seemed like you were fighting with your boyfriend yesterday...
Oh you saw...?

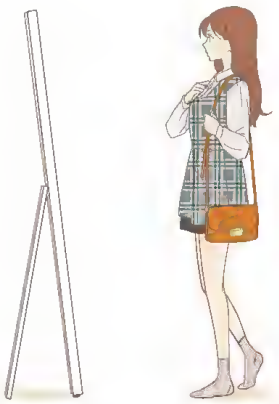
It seemed pretty serious. Is everything okay?
No~ no~ Ugh-
So you saw~ That's embarrassing
What? Yoojin and Lee Min-hoon fought again? Why?
Break up.

It was obvious that nothing would be resolved so I just diverted the subject

In my dorm closet, I have two types of outfits.

First, are my clothes I wear on a daily basis.

The second, I wear when I'm with Minhoon.

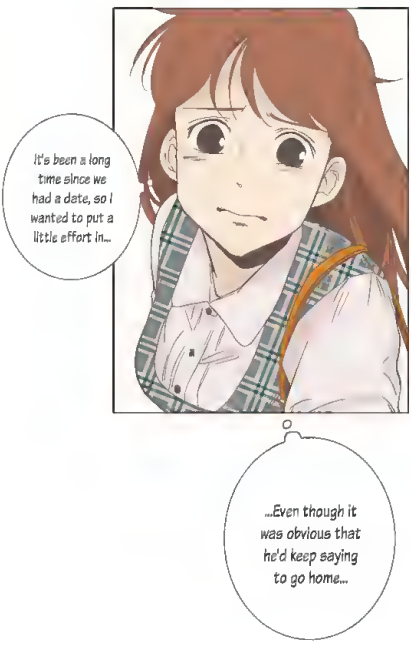


For today's date, I spent over an hour getting ready to make our date a little more special.

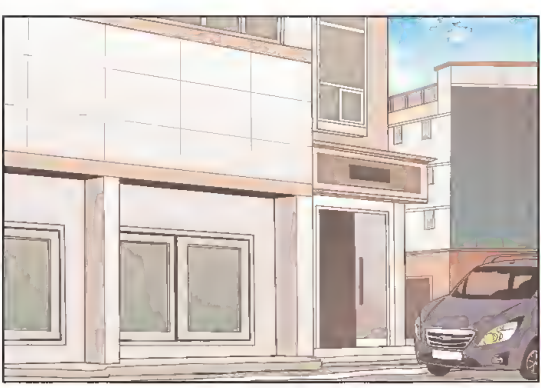
But you-

Can't we watch it at the movie theater?
Please?
Too tiring And I'm broke.
I'll pay.

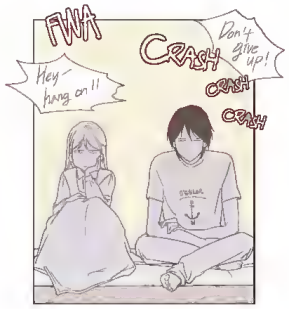
Let's just hang out at home.
Wha-..
Hey-



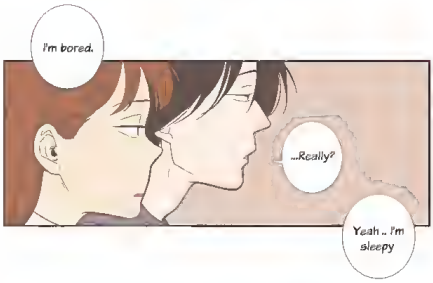
It's been a long time since we had a date, so I wanted to put a little effort in...
...Even though it was obvious that he'd keep saying to go home...



BANG BANG
BEEP
BEEP
BEEP
BEEP



FWA
CRASH
Don't give up!
Hey- hang on!!
CRASH
CRASH



I'm bored.
...Really?
Yeah .. I'm sleepy

KISS

Just sleep.
I'm tired.

!

SLIDE

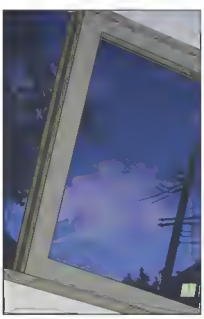
I'm sleepy though...
Mhm...

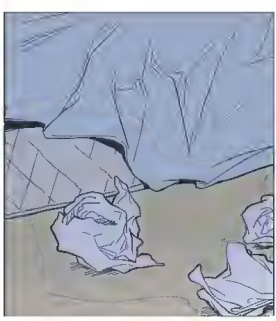
I don't want to right now.
Wait, wait.

Every time we go to his house,
it always ends up like this.

But, I'll ruin the atmosphere
if I just said 'no.'

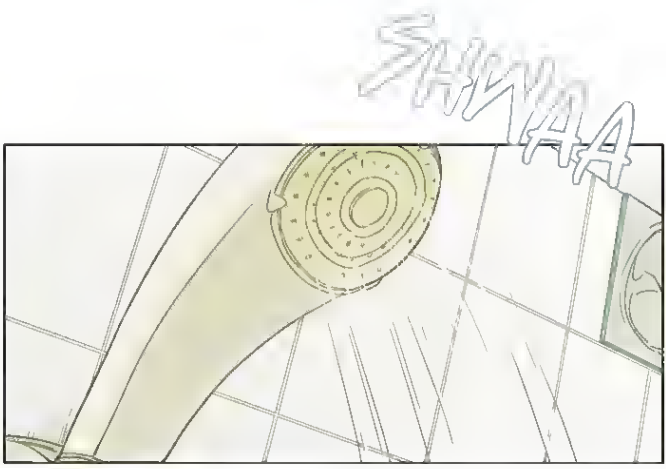
I just have to wait it out...



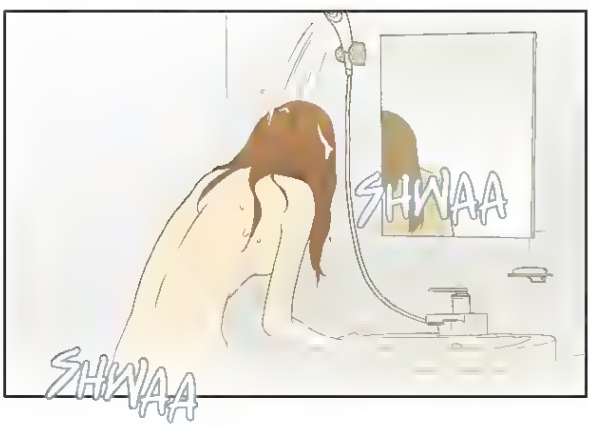


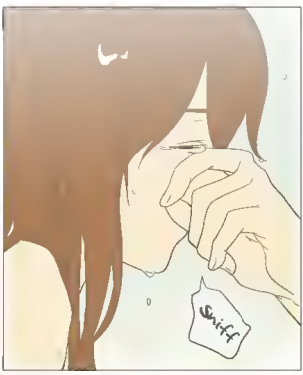
Haaa-
PLOP
You go wash up first.

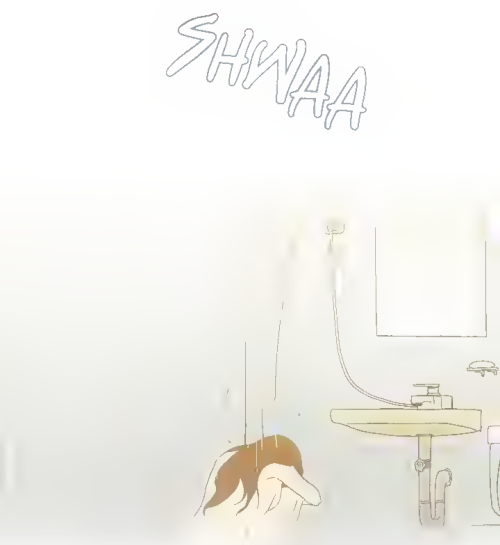
...ok...



SHWAA







What am I doing right now..?
